**Part III DETAILED ACTION**

1. This application has been examined. Claims 1-30 and 67-76 are being allowed over the prior art of record. Prosecution on the merits is closed in this application.

2. The prior art made of record, not teaching or suggesting the claimed invention as now recited, prior art of record does not warrant a rejection under *35 U.S.C. § 102* or *35 U.S.C. § 103*.

**Conclusion**

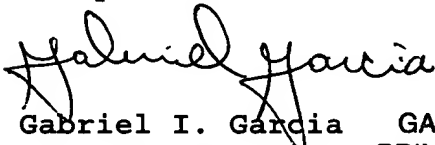

3. The following is an examiner's statement of reasons for allowance: Prior art of record such as Tonkin teaches a system for sending printing orders of documents via the Internet and displaying a viewing window, as shown in Figure 8, on the basis of the print setting inputted via a user interface. However, nothing has been found in Tonkin (in combination with all other features in the claims) that would teach or suggest data generation means specifying the finishing position on the physical page on the basis of finishing coordinates information as the finishing position information, as recited in the independent amended claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to

avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
